Discover the different bars where “Coinions” are accepted.

We provide a list of “tapas” so that, when asking for your drink, do not forget to ask also for your tapa.

Most bars will let you choose the tapa, only a few of them will give you the tapas in a predefined order.

Needless to say... you can also pay with money ;)

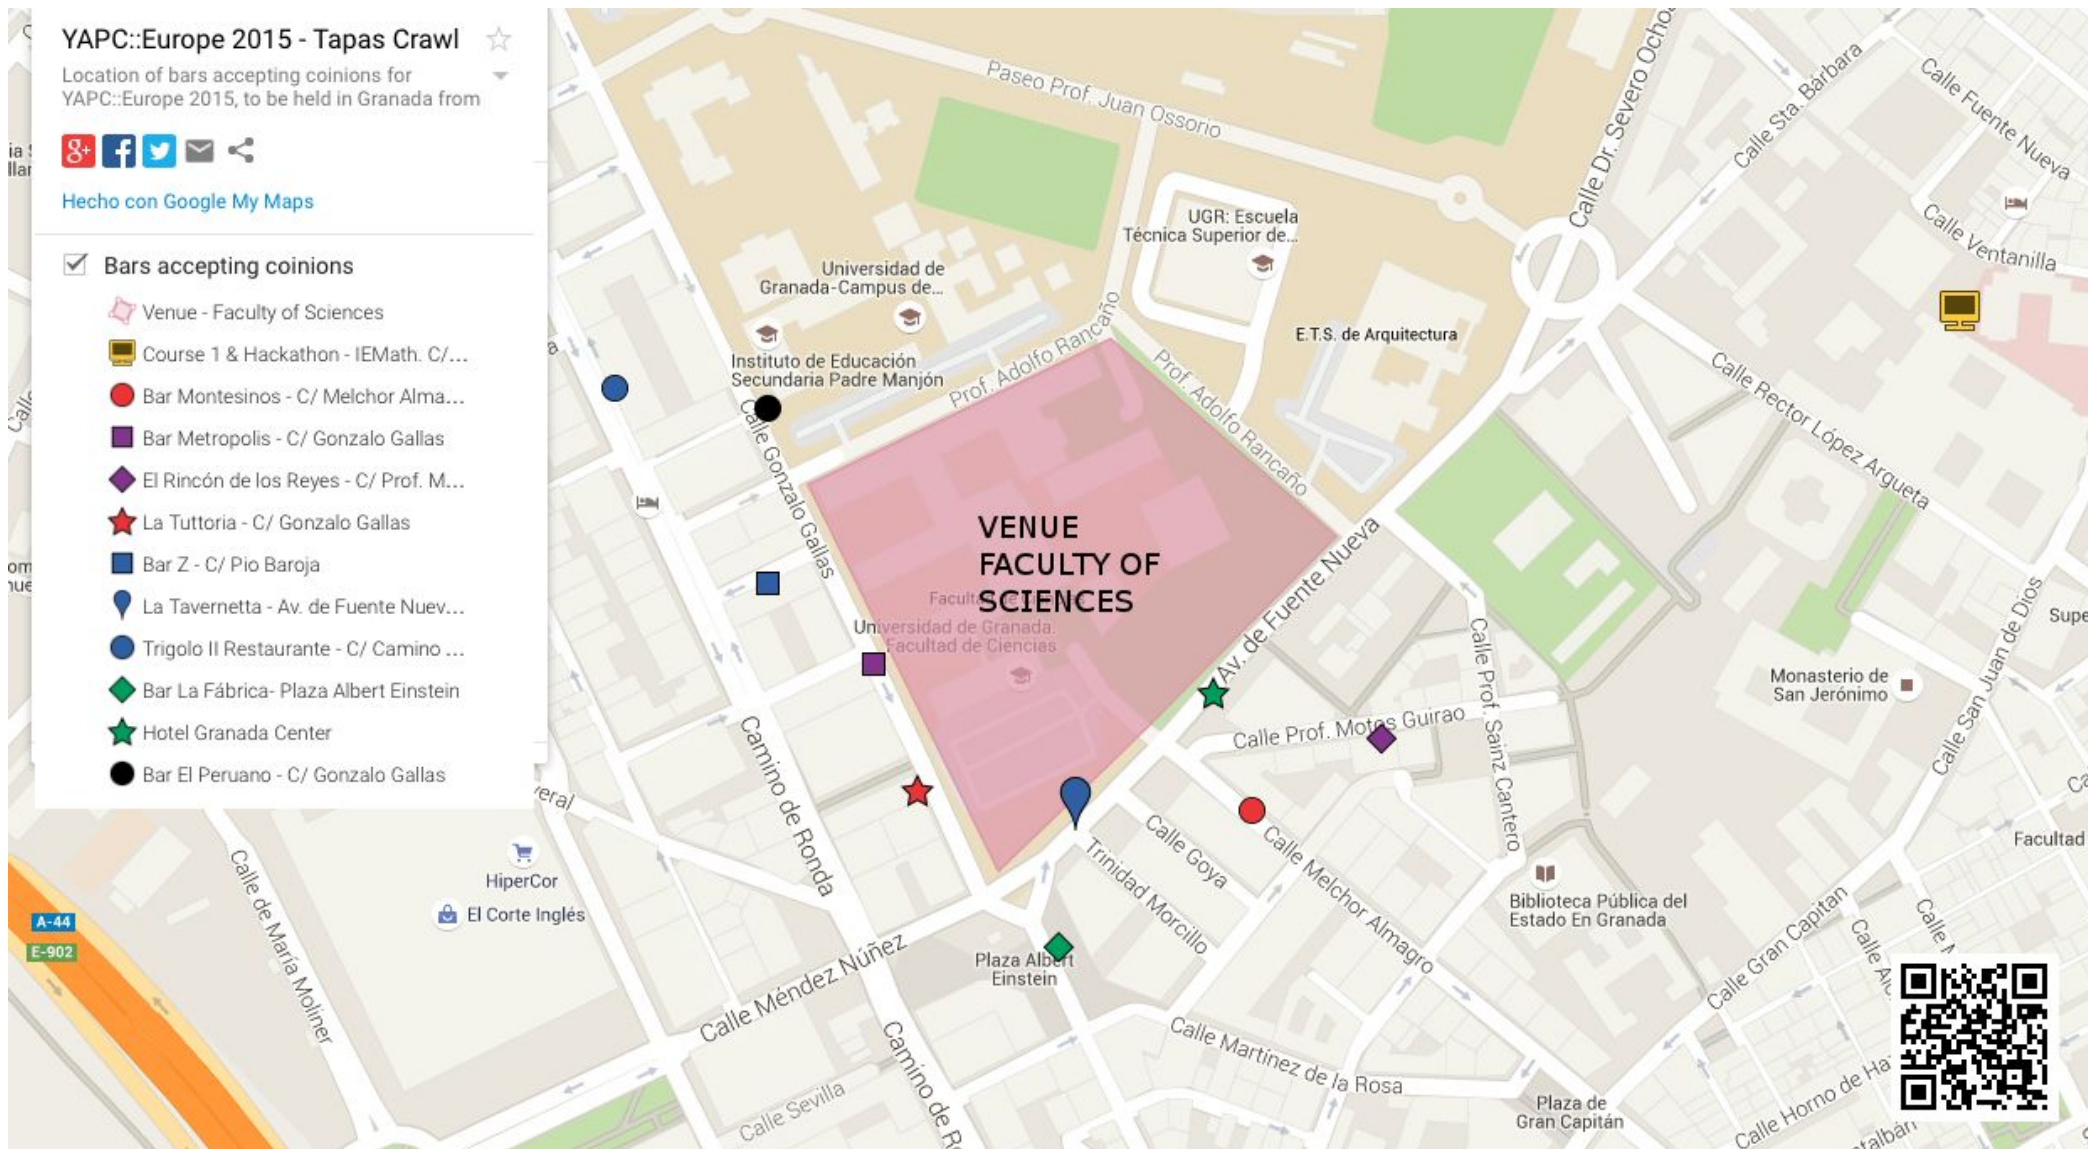

You can see the exact location of every bar in next page, and also visiting: <https://goo.gl/mNHYS5>
